MEMORANDUM FOR: See Distribution

FROM: Deputy Director, Office of External Affairs

SUBJECT: SSCI Hearing re Soviet Options to Dense Pack for MX -
1 December

We are reliably informed by SSCI staffer Diane Branagan (Steve Flanagan's compatriot) that the MX hearing scheduled for 1 December at 10:00 a.m. has definitely been postponed and will likely be rescheduled for 13 December at 10:00 a.m. We will not be able to confirm the rescheduled date until Monday, 29 November.
